

TOWN & COUNTRY ANNOUNCES PARTNERSHIP WITH SLINGER SPEEDWAY

Slinger Super Speedway, the Worlds Fastest Asphalt 1/4 Mile Oval in Slinger Wisconsin, is excited to announce their recent partnership with Town & Country Lawn Service, LLC. for the upcoming S.O.D.A. round one race at Slinger International Speedway - May 6th-7th.

Town & Country Lawn Service, Washington Counties premier landscape service provider, announced a new partnership deal that will provide modern heavy equipment building and track maintenance at Slinger Speedway.

Ryan Kuhn, Owner of Town & Country Lawn Service, is an avid snowmobile racer and racing enthusiast who aims to bring off-road racing to area residents and fans. Town & Country Lawn Service provides a wide selection of services for both commercial and residential properties. No project is too big or small for the professionals at Town & Country Lawn Service. In addition to owning Town & Country Lawn Service, Ryan also owns Hartford Snocross Racing for local Snocross racing and practices - located in Hartford, Wisconsin.

Willie Freshour, President of S.O.D.A. shares, "This event would not be possible without the expertise and generosity of Town & Country Lawn Service and their experienced operators. Please keep this in mind when you are looking for professional landscape maintenance and landscape installation. Through their hard work and generosity, modern heavy equipment building, and willingness to maintain the track we are able to share offroad racing with the community and fans alike."

About Town & Country -

Town & Country Lawn Service prides themselves in their commitment to quality and service, continuing education, and partnerships with the best suppliers and manufacturers to source the highest quality raw materials to ensure customers will enjoy their custom outdoor space for years to come. Town & Country Lawn Service excels at providing exceptional customer service and giving back to the community. About Slinger Speedway -

Making memories since 1948, Slinger Super Speedway is the world's fastest quarter mile, high-banked, asphalt, oval, automobile race track with 33-degree corners located in Slinger, Wisconsin. Slinger aims to grow the sport by sharing a wide variety of entertainment including Elite 8 Super Late Models, Uptown Motorcars Pro Late Models, and Sportsman classes to name a few. Slinger Speedway - Bigger, Better, Faster in 2022.

About S.O.D.A. -

Originally founded in 1970, S.O.D.A began as a Midwestern United States off-road racing series before being dismantled in 1998. Reborn in 2021, S.O.D.A. aims to provide an affordable opportunity for racers to compete while also providing 8.5 times higher payback than any other Wisconsin series. It's their goal to provide racers with a voice, equal track time, voting rights, and a fair points system. Lastly, S.O.D.A. wants to share the rush of off-road racing with over-under bridges, asphalt vs. dirt, and high flying - big air jumps.
